

190m² Play space with planting for all age groups (i.e. 0 - 17 years). Surface to be permeable to accommodate roots of existing trees.

Native hedge planting to some boundaries.

Lawn with mature trees. Existing grass to be maintained as per the remainder of the park.

(A) Existing scrubby vegetation cut back and retained to the north boundary. All existing trees retained along this edge. Vegetation maintained to maximise benefits for wildlife.

(B) Some existing poor quality trees removed along this edge to open up new space and to help it to integrate into the existing park.
